How to open the dreambox dm800hd se how to replace tuner NabiloBlackHole 011G2 DM 800 modified for clones with BL70 modified By jams01 includes: - secondstage 70 - dreambox-dvb-modules_2.. (I can pause tv, but when I try to record anything I get the message 'No HDD found or HDD not initialized') In blackhole its MENU->SETUP->SYSTEMS->Harddrisk->Initialization.. You can manually mount the HDD but it will state its already mounted The only part missed out was the creation of the movie folder which allows for recording.

This will sort out your issue 100% In BH you need to mount the HDD as well, but some images mainly PLi seem to have a problem when auto mounting the hdd.. The image I'm running is Dream Elite Blackhole v1 0 I've formatted the hard drive on my pc before putting it in the dreambox, and I have it mounted, but when I go to initialise it, it fails each time, saying something along the lines of 'mount failed' I can pause tv, but when I try to record anything I get the message 'No HDD found or HDD not initialized' I'm hoping there's a simple solution of something I'm doing wrong.. 04 server - Mbox 06-0010 server - mgcamd 1 31 - newcs 1 65 - oscam0 99 3svn - configs for R142-R180 working (put BK and RSA in newcs.. Pausing is stored within the HDD root and not affected with the ability not to record.

Culture Project

This is my first time having a dreambox, so I'd appreciate if someone could help me out.. Dec 15, 2010 DM800 HDD Einbau MrBunnyIHAD How to connect a hard drive externally through.. 4 sa seconstage #75 -hocu da stavim nabilo hvala I installed a 500gb internal sata hard drive into my DM800HD PVR clone, but cannot get it to record.
